Unlock The World of Communication

Welcome to the new world of communication. Nowadays every people (young and old) are very mobilizing, educating, and communicating. There are many lacks of communication services all around the world. We are here to unlock the world of communication, we provide broader communication services that can be used by every people all around the world. Our mission is to provide and develop innovative and quality products, services, and solutions, which offer the best value to our customers. To achieve our mission we develop many services in communication. They are:

-  Mobile Services (Post-paid and Pre-paid SIM card)
-  Telephony Services (National and International calls)
-  Multimedia Services (Data Interchange, Global Corporate Services, High Speed Internet Access, and TV services)

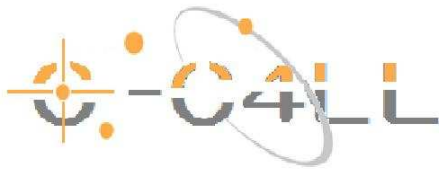

Description of Our Logo

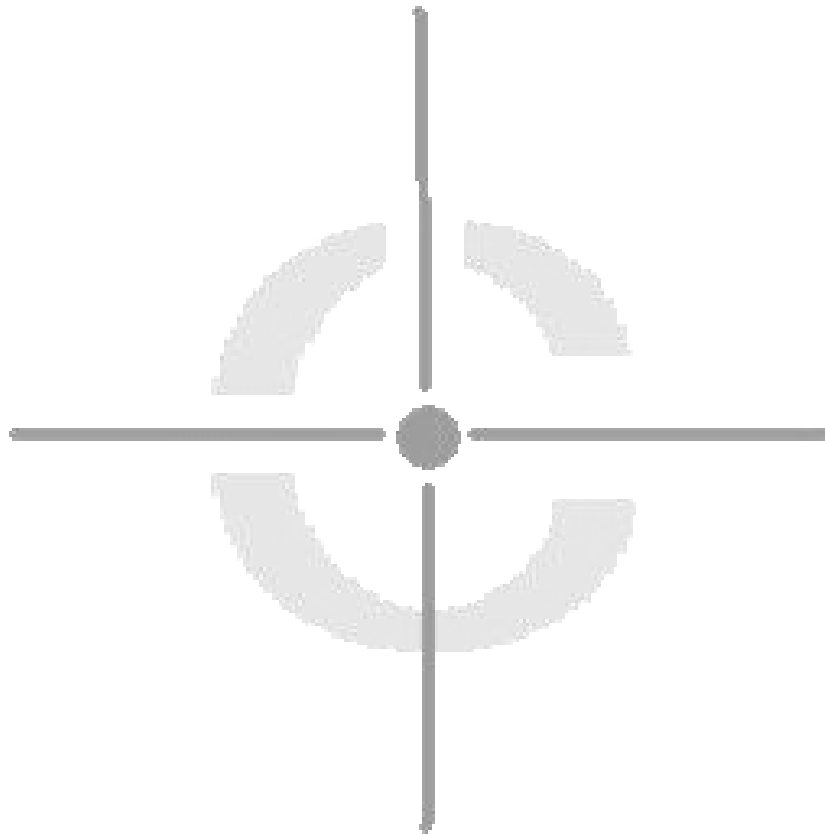

- (a) It's means that we are always trying to be perfect, never missed our target, and be aware of new technology, market, and services.
- (b) We can read our logo as "see 4 all" and "c 4 all", first part means that we target our company to every people (young and old), second part means that we have 4 major beneficial that are creative, clear, compatible, and cheap.
- (c) We used orange because orange combines the energy of red and the happiness of yellow. Orange represents enthusiasm, fascination, happiness, creativity, determination, attraction, success, encouragement, and stimulation.
- (d) We used gray because gray is associated with being neutral, cool, classic and practical.
- (e) The circle means that we are providing services globally, and we are always trying to exist all around the world.

This logo would appeal to our target market because as communication company our logo is very interesting with combination of color, symbolize high technology, easy to read and to remember, and indicate symbolize that we are robust, reliable, and compatible to unlock the world of communication.
